Name: _____ Star when done: ■

Trace the letter again, then circle the pictures that start with this sound.

☐ net

☐ nose

☐ nut

Climate: Hot & Cold Places

Name: _____ Star when done: ■

Some places are **HOT** and some are **COLD**. Sort them.

camel polar bear cactus penguin desert snowy poles

HOT places**COLD places**

Climate = the usual weather in a place, year after year.

Talk: is where **WE** live hot, cold, or in-between? What season is it now?
